Switzerland

Re: Monthly statistics of human rights violations, Between 22 November 2015 and 19 February 2016

Dear Dr. Ahmed Shaheed,

The Iran National Council for Free Elections has prepared the attached monthly report on select cases of Humans Rights Violations Between 22 November 2015 and 19 February 2016.

This report provides an overview with a list of newly detained prisoners of conscience and references to assault on freedom of opinion and expression, status of prisoners' of conscience, recent executions, violation of children-, women-, ethnic-, and religious minorities' rights, etc.

We are hopeful that this report will support your investigation on human rights violations in Iran. We appreciate your efforts and offer our unconditional assistance to free all prisoners of conscience, and end the practice of torture and the death penalty in our beloved homeland.

Yours sincerely
Iran National Council for Free Elections

Monthly Report on Violation of Human Rights Between 22 November 2015 and 19 February 2016

Statistics Section:

The following report is according to the result of the efforts of the Human Rights Commission of the Iran National Council these records and statistics hostelry in the census project are to collect, analyze and document the reports filed by human rights defenders and related organizations. It is worth mentioning that because Iranian government does not allow the Human Rights organization and other groups to work freely, these reports are not complete reports, and only depicts a part of the systematic violation of human rights in Iran. Although this report has been prepared with great care but it is not error-free and error rate of 2% is considered in statistics.

Name of the detainees in (22 Nov. 2015 - 19 Feb2016) are as follow:

In these months security and police forces arrested 412 individuals, with these actions the right to freedom of opinion and expression, the right to liberty and security of person have been violated. Article 19 of the Universal Declaration of human rights, explicitly states that , anyone has the right to freedom of opinion and expression. Also in paragraph 1 article 9 International Covenant on civil and political rights States: Everyone has the right to freedom and security of a person, no one shall be arbitrarily arrested. In the foregoing paragraph to article 19 States: No one shall be harassed or scared because of his ideologies. Paragraph 2 of article 19 add: everyone has the right to freedom of expression; This right includes the freedom of study and inquiry and Impart information and ideas of any kinds, regardless of frontiers, either orally, in writing or in print, in the form of art, or through any other media of his choice.
